PRIVACY NOTICE ON THE PROTECTION OF PERSONAL DATA

1. Data Controller and Its Representative

Pursuant to the Personal Data Protection Law No. 6698 ("Law No. 6698"), your personal data may be processed by **GMZ ENERJİ SİSTEMLERİ A.Ş.**, acting as the data controller, within the scope described below.

On behalf of our Company, taking into consideration the security of your data, we would like to inform you about the provisions of the "Personal Data Protection Law No. 6698", with the aim of protecting fundamental rights and freedoms, particularly the right to privacy. Our aim is to inform you in the most transparent manner possible about the methods by which your personal data is collected, the purposes for which it is processed, the legal grounds for such processing, and your rights.

2. Purposes for Which Personal Data Is Processed

Your personal data collected under the categories of identity and contact information (**name, surname, telephone number, e-mail address, IP address**) will be processed for the purposes of:

providing and continuously maintaining our products and services; recording identity, address and other necessary information for the identification of the person carrying out the transaction; conducting the operational, accounting, financial and risk management processes relating to the person carrying out the transaction; preparing all records and documents that will constitute the basis of transactions in electronic or paper format; complying with information retention, reporting and notification obligations prescribed by local and international legislation and all competent authorities; communicating important information that we are required to share with you through your contact information; conducting corporate sustainability, corporate governance, strategic planning and information security processes; and providing information to Authorized Institutions as required by legislation.

Your personal data will be processed within the scope of the personal data processing conditions and purposes specified in Articles 5 and 6 of Law No. 6698.

Detailed information regarding the processing of your personal data by our Company can be found in the **GMZ ENERJİ SİSTEMLERİ A.Ş. Personal Data Protection and Processing Policy**, which has been made publicly available on the Company's website.

3. To Whom and for What Purposes Processed Personal Data May Be Transferred

Within the framework of our relationship with you and limited to the purposes specified above, your personal data may be shared with persons, institutions and organizations permitted under the Law and applicable legislation, as well as with consultants and organizations from which we receive services, with which we work or cooperate in order to carry out all our activities, within the framework of the personal data processing conditions and purposes specified in Articles 8 and 9 of Law No. 6698 and as explained in the **GMZ ENERJİ SİSTEMLERİ A.Ş.**

Personal Data Protection and Processing Policy made publicly available on the Company's website.

Necessary technical and legal measures are taken to prevent violations of rights during the sharing of data with third parties. In addition, your data may be processed on domestic and international servers of companies from which we receive cloud services in order to conduct our operational activities.

4. Method and Legal Basis for Collecting Personal Data

Within the framework of our relationship with you, your personal data is processed on various legal grounds for the purposes of maintaining our business relationship and conducting our commercial activities. Your personal data is collected verbally and/or in writing in physical environments and electronically through sources such as e-mail/websites and may be processed and transferred on the same legal grounds.

5. What Are Your Rights Arising from the Personal Data Protection Law?

Without prejudice to the circumstances set forth in Article 28 of the KVKK titled "Exceptions", pursuant to Article 11 of the Law, you have the right to apply to our Company regarding your personal data and:

a) learn whether your personal data has been processed, learn the purpose of processing and whether it has been used in accordance with such purpose, and request information if it has been processed;

b) learn the third parties to whom your information has been transferred domestically or abroad in accordance with the Law;

c) request the correction of your information if you believe that it has been processed incompletely or inaccurately;

d) request the deletion or destruction of your personal data where the reasons requiring the processing of personal data cease to exist or where the Companies no longer have a legal basis or legitimate interest for processing such data;

e) request that third parties to whom your information has been transferred be notified of your requests specified in paragraphs (c) and (d) and that they carry out the same actions;

f) object to the occurrence of a result against you arising from the analysis of your information through automated systems, or request compensation for damages if you believe that your information has been unlawfully recorded or used and you have suffered damage as a result.

We hereby inform you that you are entitled to exercise these rights.

Your rights may be exercised as of **07.10.2016**, the effective date of the regulation. We reserve the right to request from you the costs incurred by our Company in fulfilling your requests in accordance with the tariff specified in Article 13 of the KVKK titled "Application to the Data Controller".

Do You Have Questions or Requests Regarding Your Personal Data?

Data subjects may submit requests concerning their rights specified under the Law to our Company by using the **KVK Application Form** available on the website, in writing (with identity verification for documents submitted in person or through a notary public), or by using a **Registered Electronic Mail (KEP) address, Secure Electronic Signature, Mobile Signature**, or an e-mail address previously notified by the data subject to the data controller and registered in the data controller's system.
